REQUEST FOR EXTENSION ON DECEMBER 19, 2000 BOARD MOTION

On December 19, 2000 the Department of Children and Family Services, Chief Administrative Office and Department of Human Resources were instructed to report back to the Board of Supervisors regarding vacancies in DCFS, a plan for hiring, a plan to reduce the number of clerical vacancies and an integration plan to re-align existing management positions into the new organizational structure. On January 25, 2001, in concurrence with the Chief Administrative Office, we requested an extension to March 19, 2001, to complete the assignment.

The response was drafted and received in my office on March 16, 2001; however, due to pressing issues, I have been unable to devote the necessary time to insuring that the assignment is fully responsive to the Board's mandates. Therefore, I am respectfully requesting an extension to April 13, 2001 to allow me the necessary time to review the assignment and make any necessary revisions.

If you have any questions or need additional information please call me, or have your staff call Michelle Saulters at (213) 351-5787.

Your cooperation is greatly appreciated.
